

About us...

Hut and Hound® consists of high quality, dog-friendly, self-catering holiday accommodation so you, your family and your dog (or dogs) can stay together.

More utilities...

We have an external utilities hut complete with washing machine, dryer, freezer plus dog and boot washing facilities with hot and cold water mixer spray. We also have Wi-Fi on site for guests.

Near lots of attractions...

We are very conveniently located a couple of miles from St Austell, in the countryside. Attractions like The Eden Project, The Lost Gardens of Heligan and the UK's only china clay museum are within a few miles. Within short drives we are also near lovely beaches and spectacular coastlines, superb countryside and other well-known locations like Charleston (Poldark location), Mevagissey, Newquay and Perranporth.

How to contact us...

You can check availability and request a reservation on our website, or feel free to call us or email us. We look forward to hearing from you. **Brian & Dawn**

We have a very high - quality shepherd's hut built to our exacting standards. It is designed to be very dog friendly with comfort and quality in mind, ready for providing an excellent base for self-catering holidays and breaks.

The hut comes with:

- fitted kitchen with NEFF appliances
- lounge with log burning stove
- under floor heating with durable floor
- ensuite toilet and power shower
- large table and lots of storage space
- fold down double bed
- spectacular views over the countryside

We like to look after our dogs as we know all loving and responsible owners do. The hut and the site have been specially designed for dogs and their owners to enjoy, including:

- your own private patio
- a shared communal field to run around in
- your own map of dog-friendly local walks and attractions
- personal dog training

We offer personal, one-to-one, dog training on site. Brian is a licensed dog trainer and instructor. He specialises in working with owners and families to build a better connection between people

and their dogs by understanding canine behaviours.

We are situated in a quiet location off a little country lane. The only sounds we tend to hear are the wildlife, sometimes cows in a nearby field and the occasional train passing in the distance. Whilst we are in the country, we are also well located for good amenities for shopping, eating and walking.

Eating: There are three local pubs within 3 miles, one of which is very dog-friendly. This is our favourite and serves excellent food.

Shopping: The main shopping centre of St Austell is just a couple of miles away and has a wide range of shops – both well known chains and local stores. There are three large supermarkets there. There is a local convenience store in a village about 1.5 miles away, which has extended opening hours.

Walking: There are a number of walks within easy reach, both in the countryside and on beaches.
